

LET'S TALK

CHRIST IN COLOSSIANS

You can either use this for personal application for Sunday's message or as part of your preparation for HomeGroup this week.

LET'S HEAR YOUR STORY

My Work and Christ

What was or has been your best job?

What would your dream job be?

LET'S GO DEEPER

Read Colossians 3:22-4:1

How are you managing working from home, alone or with a reduced team?

What's been good and what's been more of a challenge?

As a result of Sunday's preach, what aspects of work or relationships at work is the Holy Spirit putting a finger on?

What areas or scenarios at work tend to expose the wrong heart attitude in you?

How can you adjust that with the help of the Holy Spirit?

Do everything for Jesus! - not always something that we are conscious of or remember.

For you how is your life and work life... ...ministry / worship to God?

...being a witness to God?

What message do you think others would get from observing you?

Probably one of the most difficult decisions we have to make with work is sometimes whether we stay or leave (*change jobs or careers*). How would you navigate that path? How do you know if it's the right decision? Where does a "leap of faith" come into it?

LET'S APPLY THIS

What one thing can you change or do this week that will help your work be a more pleasing offering to God?

If you are in authority at work, is there anything you need to adjust in how you lead?

Maybe there is a conversation that needs to be had.

What aspects of your work can others pray for?
