

# LET'S TALK

## CHRIST IN COLOSSIANS

You can either use this for personal application of Sunday's message or as part of your preparation for HomeGroup this week.

### LET'S HEAR YOUR STORY

#### Christ and Ministry

This week we looked at Colossians 4:7-18.

We are not alone, there are believers all over this country and the world who are also part of the Kingdom of God and therefore with the same commission and purpose as us. The Kingdom of God is made up of normal people like you and I who, through the empowering of the Holy Spirit, do extraordinary things.

We looked at a few examples this week, using those as a starting point how would you describe yourself? Or how do you think others would describe you?

### LET'S GO DEEPER

Paul, in mentioning all these people shows how we all have a role to play. He charges Archippus to "*See to it that you fulfil the ministry that you have received in the Lord*" - that charge can be applied to each one of us too.

1. How would you define "ministry"? (*what is ministry and what is not?*)
2. How do you know what ministry you have received from God?
3. How did you know or how did you receive that instruction or commission from God?
4. How do you discover your role / ministry that God is calling or has called you to?

### LET'S APPLY THIS

1. What are you doing to step into that ministry or to fulfil that ministry?
2. Is there someone you need to speak to in order to be able to do that?
3. What one thing can you do this week to fulfil that ministry?
