On the count of three, I want you to tell me the name of one person in your family you love.

One, two, three (Kids will tell names)!

Great job! Can you show love to that person by HITTING them or by giving them a HUG? (Giving them a hug)

That's right! God wants us to ALWAYS SHOW (hands up and out) **LOVE** (hug self) **to others.**

Everyone find a crayon and write your NAME on the line at the bottom of your paper (Kids will write name/attempt to write name on line at the bottom of **Hand Craft Sheets**).

Let's put our crayons back in the container (Kids put crayons back).

2

Let me see you shake your hands super-fast if you like going to the grocery store with your mom or dad (Allow responses).

If you are at the grocery store with your mom, should you YELL and CRY or should you kindly WALK nicely beside your mom? (Kindly walk beside your mom)

Even when we have to do things we may not like to do, like go to the grocery store, we can still ALWAYS SHOW (hands up and out) **LOVE** (hug self) **to our moms or dads.**

We are all going to TRACE ONE of our hands onto our papers, like this (Demonstrate how to trace hand on **Hand Craft Sheet**. Then allow kids to do the same. Help kids as needed).

3

Pat your knees if you have ever roasted marshmallows.

(Allow responses)

If your little brother is too little to roast marshmallows but he really wants to, should you LAUGH at him or should you HELP him?

(Help him)

That's right! You can ALWAYS SHOW (hands up and out) **LOVE** (hug self) **by helping others!**

Now let's COLOR the hand on our papers (Use **crayons** to color hand traced on paper).

4

If your friend wins the big race and you finish last, should you CRY and POUT or should you CHEER for your friend?

(Cheer for your friend)

Yes! You can ALWAYS show love to your friends by cheering them on when they do great things, even if they beat you.

(Hold up **Heart Decoration**) **These hearts remind us of what we Need to Know today. Let's all say it together** (Have kids say Need to Know with motions)!

Everyone find ONE heart and put it on your paper (Kids will select one **Heart Decoration** and place on **Hand Craft Sheet**).

5

Clap your hands if you like to draw with sidewalk chalk.
(Allow responses)

If your sister wants to play with you, should you tell her to GO AWAY?
(No)

That's right! You can show love to your brother or sister by letting them play with you.

We have these hearts (hold up **Heart Decoration**) **to remind us to ALWAYS SHOW** (hands up and out) **LOVE** (hug self) **to others.**

Everyone find ONE heart and put it on your paper (Kids will select one **Heart Decoration** and place on **Hand Craft Sheet**).

6

Show me a sad face (Kids make sad faces).

If you see a boy at church who is sad and alone, should you LAUGH at him or should you ask him to PLAY with you?
(Ask him to play with you)

That's right! You can show love to him by asking him to play with you and your friends!

(Hold up **Heart Decoration**) **These hearts remind us of what we Need to Know today. Let's all say it together** (Have kids say Need to Know with motions)!

Everyone find ONE heart and put it on your paper (Kids will select one **Heart Decoration** and place on **Hand Craft Sheet**).
